You can go to any doctor, clinic, therapist, or hospital that takes Medi-Cal

California recently implemented the Affordable Care Act under state law. Alameda County former foster youth will be eligible for Medi-Cal until age 26 under the federal Affordable Care Act.

If you were in foster care on your 18th birthday, you are eligible for free Medi-Cal benefits until your 26th birthday. You are eligible for these benefits regardless of your income. This means Alameda County former foster youth can work and earn income and will still maintain eligibility for Medi-Cal until he/she turns 26.
