REQUEST TO THE CHILD WELFARE AGENCY TO MAKE A REFERRAL FOR AN FYI PROGRAM VOUCHER TO THE PUBLIC HOUSING AUTHORITY

Dear [Child Welfare Administrator]:

I am the attorney for [name of young person]. I am requesting that you make a referral to the local housing authority for a Foster Youth to Independence (FYI) Program Voucher for my client for the reasons described below.

My client is eligible for the FYI program. My client is age [enter client's current age, which must be between 18 and 24 and 364 days]; [will age out of foster care or has aged out, depending on the facts of your case]; and [is homeless or at risk of becoming homeless depending on your case]. My client is receiving the following support services [describe any support services your client is receiving, including any Chafee IL services, behavioral health services or supports, workforce services, etc].

Per PIH Notice 2021-26, Public Housing Authorities (PHA) that administer Housing Choice Vouchers may request FYI vouchers for eligible young people like my client as long as they are collaborating with the child welfare agency and that the child welfare agency is able to document the provision of services for the young person. The child welfare agency does not need to provide the services themselves. As mentioned above, my client is receiving supportive services that are sufficient to meet HUD's requirement for supportive services. The PHA can request vouchers in increments as small as one at a time, making it possible for [NAME OF CHILD WELFARE AGENCY] to request one voucher for my client.

Because my client is eligible for an FYI voucher, I am happy to work with you to prepare the request to the PHA for an FYI voucher.

Please contact me within 7 business days to let me know your response to my request. I am happy to meet and talk further about how we can work together to support [client's name] in making a safe and stable transition to adulthood.

Sincerely,
