

Trainings & Workshops from Youth Law Center's Transition-Age Youth (TAY) Civil Legal Practice Exchange Fall 2020 - Spring 2023

Youth Law Center's <u>TAY Practice Exchange</u> is a free practice support network for civil legal advocates across California that convenes regularly to share resources, exchange technical assistance, develop referral pathways, and identify recurring issues related to the civil legal needs of transition-age young people. We provide monthly training and workshops, bi-monthly office hours, a listserv, and a dedicated resource library. We've found that membership in the practice exchange is especially useful for newer attorneys or attorneys interested in learning more about the unique civil legal needs of transition-age young people.

This resource provides an index of all trainings and workshops of the TAY Practice Exchange from Fall 2020 - Spring 2023, sorted by topic. Our next series of workshops and trainings will begin in fall of 2023, and the complete, up-to-date playlist of recordings can always be found <u>here</u>. Contact Marisa Lopez-Scott, Senior Attorney, at <u>mlopez@ylc.org</u> for more information or to join the Practice Exchange.

The information provided in this resource and the referenced materials do not constitute legal advice. All content is for general informational purposes only. We make every attempt to update these resources regularly; however, it's possible that some information provided here and in the referenced materials may be out of date. This resource was last updated in June 2023. For any questions related to this resource, please contact info@ylc.org.
